## August 2024: Upcoming Conferences and FLAG's Strategic Participation

Conferences are more than just gatherings; they are pivotal opportunities for businesses like FLAG to advance their mission and accelerate growth. By participating in key industry conferences, we position ourselves at the forefront of our sectors, gain critical insights, and build strategic relationships that lead to tangible business opportunities. These events provide us with a platform to showcase our expertise, stay ahead of industry trends, and connect directly with decision-makers who influence major projects and initiatives. In essence, attending these conferences is essential to fulfilling our mission of delivering innovative, impactful solutions in infrastructure and municipal project management.

---

### [ICMA \(International City/County Management Association\) Conference](#)

Pittsburgh, PA on September 22-25, 2024

FLAG will have an exhibitor booth at the ICMA conference, a key event focused on the needs and challenges of city and county management, providing an ideal opportunity to connect with municipal leaders and professionals in local government. By participating, we aim to establish relationships with city and county managers who may require our expertise in managing complex municipal projects, while staying informed on the latest industry developments and innovations. Additionally, this event offers the chance to identify new business opportunities and collaborations that align with FLAG's strengths in infrastructure and program management.

### [TML \(Texas Municipal League\) Conference](#)

Houston, TX on October 9-11, 2024

FLAG will have an exhibitor booth at the TML conference, positioning us to engage with city officials and decision-makers from across Texas, making it a crucial event for gaining insight into

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

an opportunity to demonstrate our engineering expertise and showcase the many ways our expertise in managing capital improvement projects, while showcasing FLAG's success in infrastructure development, program management, and community-focused initiatives, potentially leading to new contracts with Texas cities.

## [IBTTA \(International Bridge, Tunnel, and Turnpike Association\) 92nd Annual Meeting & Exhibition](#)

Cleveland, OH on October 26-29, 2024

FLAG will attend the IBTTA 92nd Annual Meeting & Exhibition in Cleveland, engaging with industry leaders in transportation infrastructure. Although we won't have an exhibitor booth, our presence is vital for exploring transportation-related opportunities. We aim to learn about upcoming transportation projects where our program management and collaborative contracting expertise could be especially valuable, while building relationships with key players in the sector, including government agencies and private firms. This event also allows us to reinforce our reputation as leaders in infrastructure project management, particularly in transportation.

## FLAG Foundation: Recent & Upcoming Events

**Patriots' Hall** is a dedicated 10-acre retreat created to support and uplift our veterans through a variety of programs and initiatives. Earlier this month, they hosted an Open House for the community to explore their state-of-the-art facilities, learn about their mission, and meet the incredible team and sponsors who have made this vision a reality. It was a huge success!

## We're starting a Book Club for Veterans!

FLAG is launching a book club for veterans, with a focus on professional and personal development, as well as biographies. The club will meet weekly at Patriots Hall, offering a supportive environment for veterans to connect and grow. While the meetings are exclusive to veterans, we encourage families to enjoy the facilities at Patriots Hall during our sessions! If you're interested in signing up or would like more information, please reach out to Craig Starcher at [cstarcher@frontlineadvisorygroup.com](mailto:cstarcher@frontlineadvisorygroup.com).
