DELIVERING PROGRAMS  
**ON TIME, ON BUDGET, AND TO CLIENT EXPECTATIONS**

October 2024:

## Recapping on Recent Conferences, Panels, Charity Events, & More!

Over the past few weeks, Front Line Advisory Group actively participated in key industry conferences. At the [MGO Conference](#), Craig Starcher had the opportunity to discuss the critical work we've completed with Travis County and highlight the significant progress made on various infrastructure projects. This engagement allowed us to reinforce our commitment to client success and public service.

We also attended the [ICMA Conference](#), where we hosted an exhibitor booth and connected with industry colleagues. It was an inspiring event filled with insightful keynote sessions, productive conversations, and a special moment for our team as we engaged with the [ICMA Veterans Group](#).

## International Student Panel

Additionally, our very own Vanessa Rizzo was invited to speak on an [International Student Panel at the McCoy Business School at Texas State University](#). Vanessa led a discussion on cultural adaptation and simulation, sharing her unique experiences and insights with business students. Her contributions reflect FLAG's commitment to diverse perspectives and continuous learning within our team.

## FLAG Foundation: Recent Events

We recently participated in a charity clay shoot event, where we supported [Patriots Hall](#) and partnered with [Echelon Front](#) to raise funds for veteran programs. Community involvement is a cornerstone of our mission, and we're honored to support these meaningful initiatives.

This week, we also attended the groundbreaking ceremony in Kyle for the Marketplace Avenue extension, a key milestone in improving local infrastructure and accessibility. As we continue to support these developments, we look forward to seeing the positive impact on the community.

## Hays County Bond Program: Early Voting

The [Hays County Bond Program](#) is set to be voted on next month, with early voting now live as of October 21st. This bond is crucial for the future growth and development of the county, focusing on road infrastructure improvements to accommodate increasing population and traffic needs.

## We're starting a Book Club for Veterans!

FLAG is launching a book club for veterans, with a focus on professional and personal development, as well as biographies. The club will meet weekly at Patriots Hall, offering a supportive environment for veterans to connect and grow. While the meetings are exclusive to veterans, we encourage families to enjoy the facilities at Patriots Hall during our sessions! If
